Modulr

User Permissions

What the different user roles allow users to do in the Modulr Portal

March 2023

Contents

This guide explains which actions users can perform in the Modulr Portal depending on their role.

'Partner' users

Partner user roles follow the same rules as the ones described on this page, except Partner Admins and Admin+Approvers can **create** Customers.

View

Customers
View a Customer
Find a Delegate
*(Delegates can't link to other Delegates so don't have the
'Customer' permission)*
